

Vermont Law School Referral, Client Profile

The RDCs of Vermont are grateful for the opportunity to expand our business services through a new partnership with the Vermont Law School (VLS). The professors and students you will meet with cannot provide explicit legal advice but can provide you with the appropriate resources ahead of an official attorney meeting that you schedule.

You will receive a no-fee consultation, up to 60 minutes, with VLS professors and students. The team will provide a summary of your conversation, recommendations for next steps and a referral if appropriate. Means-sensitive legal consultation may be available. Any attorney meetings after the initial consultation will be billed on a per hour basis at the discretion of the lawyer or firm.
